## Product Feature and Application of CPAP Pillow Side Sleeper Memory Foam

Great for back and stomach sleeping.

Prevent Air Leaks :: Standard pillows press against the hose and facemask causing tubing tangles or small openings in the seal, leading to leaks. Specially designed pillows alleviate these leaks. The sink-in design of the pillow allows your facial mask, nasal mask, or tubing

hose to naturally drop into the groove allowing you to move your face without breaking the seal.

Medium softness memory foam. Some memory foam pillows are just too thick and raise your head and neck too high. This pillow is lower profile to provide comfort for stomach sleepers.

Sensitive skin pillow case included. Machine washable. Durable zipper.
